

## Minutes Certificate

These are true, correct and accurate copies of the Minute Books in the Beaver town office.

If there is no minute for a particular month, there was no meeting that month.

These copies were scanned August 10, 2012.

The Treasurer's reports are not included because they are not "permanent records" under Arkansas Code and are retained only for three years.

Certified by

A handwritten signature in cursive script that reads "Mary V Hill".
