There was no old business.

Under new business Mayor Shoffit reported that the legislative audit required a mid-year budget review. There were certain things that weren't budgeted for this year such as a Municipal League Convention, and providing a dumpster in the park. It would be a good idea to budget for emergencies. It was also noted that there were increased fees and contract labor for Beaver Park and increase in flood related clean-up. After review Alderman Baldrige moved to accept mid-year budget review as presented, seconded by Alderwoman Going. The budget review was approved on a voice vote.

Also under new business was approval by the Municipal League to use funds to remove trees.

Alderman Baldrige moved to adjourn meeting, seconded by Alderwoman Going.

Meeting was adjourned at 7:26 p.m.
